350 South Fifth Street, Room 301M
Minneapolis, MN 55415

Dear Gene,

Thank you for your letter of December 23, 2015, notifying Hennepin County of the City of Minneapolis' action to designate Community Action Partnership of Hennepin County ("CAPSH") as the community action agency for the City and of the opportunity for the County to comment on this decision before or at the public hearing on January 27, 2016. I do not anticipate that Hennepin County will provide comments but want to assure you that we are prepared to work with CAPSH to implement any changes that this designation may require. To facilitate a smooth transition, leadership from CAPSH has been in communication with county staff and the necessary bylaw and articles of incorporation changes will be coming before the County Board for action.

Thank you again for contacting me.

Best wishes,
